About the A's:

The A's are a baseball team founded in 1901. They have a rich history, having won nine World Series championships and 15 American League pennants. The A's are known for pioneering the "Moneyball" approach to team-building, which focuses on using statistical analysis to identify undervalued players.

In addition to their success on the field, the A's also have a positive and dynamic work culture. They have been recognized twice as the Front Office Sports, Best Employers in Sports.

The A's are defined by their core pillars of being Dynamic, Innovative, and Inclusive. Working for the A's offers the opportunity to be part of an innovative organization that values its employees and strives to create a positive work environment.

Description:

The A's are currently seeking a Minor League Certified Athletic Trainer who will be assigned to our facility in La Victoria, Dominican Republic. This position will work under the direct supervision of the Latin America Medical Coordinator, Minor League Medical Coordinators, and alongside the full-time Athletic Trainer in the management of player healthcare, including but not limited to on-field coverage, prevention, maintenance, evaluation, and treatment programs. Responsibilities will be dedicated towards pre-season training, the Dominican Summer League season, and postseason camps.

Responsibilities:

- Provide on-field coverage, prevention, evaluation, treatment and rehabilitation techniques for various injuries.
- Daily communication with respective medical, performance, and coaching staff.
- Documentation and recordkeeping using the electronic medical records system (EMR).

- Assisting with and ensuring adherence to daily maintenance and treatment programs for all players.
- Perform various administrative duties as assigned.
- Adhering to and monitoring of Health & Safety Protocols per MLB and the Club.
- Other duties as assigned.

Qualifications/Requirements:

- Valid U.S. Passport
- NATABOC certified and in good standing.
- Eligible to meet state Licensure requirements.
- CPR/AED certification.
- Strong communication and computer skills.
- Ability to stand, walk, and actively participate in on-field practices and games for extended periods of time.
- Adequate mobility and physical stamina to engage in field activities and accompany players during practices and games.
- Fluency in Spanish is a plus, but not required.
- Experience working with players from diverse backgrounds and cultures is preferred.
- Prior experience in professional baseball is preferred.

The A's Diversity Statement:

Diversity Statement Diversity, Equity, and Inclusion are in our organizational DNA. Our commitment to these values is unwavering – on and off the field. Together, we continue to build an inclusive, innovative, and dynamic culture that encourages, supports, and celebrates belonging and amplifies diverse voices. Combining a collaborative and innovative work environment with talented and diverse team members, we've created a workforce in which every team member has the tools to reach their full potential.

Equal Opportunity Consideration:

We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, national origin, sex,

sexual orientation, age, disability, gender identity, marital or veteran status, or any other protected class.
