

Position Overview:

The position requires a designer with very strong graphic and communication design skills and an understanding of production and printing methods for environmental graphic design. The workload is predominantly sports-oriented projects encompassing venue, event and brand projects.

About Infinite Scale + Elevate Sports Ventures

Infinite Scale is a sports design consultancy specializing in comprehensive design solutions for the world's most attended sports venues and witnessed sporting events. We create fan experiences through brand activation, signage systems, environmental graphics, and partner integration. Our growing design team and exciting high-profile projects make for an unmatched work environment. Our role is to ensure the best product and experience for the audience — be that a student-athlete, a donor or corporate partner, a team or league, or of course the dedicated fans. We work to bring their passion to life, through our passion for sports and design.

Infinite Scale recently joined Elevate Sports Ventures, a best-in-class sports, entertainment, and brand agency that provides proven and innovative solutions in hospitality and partnership sales, marketing, data and analytics insights, and brand representation to organizations across the global sports and entertainment landscape. Formed in partnership between the San Francisco 49ers, Harris Blitzer Sports & Entertainment (HBSE), Oak View Group (OVG), and Ticketmaster/Live Nation in 2018, Elevate is spearheading the most prestigious and dynamic new stadium and redevelopment projects in the world, including the Seattle Kraken's Climate Pledge Arena, the New York Islanders' UBS Arena, and Co-op Live in Manchester, England. Highlights among 30+ other clients and current projects include the USGA, USTA, St. Louis CITY SC, FIFA World Cup 2022, and EuroLeague Basketball.

Ideal Candidate

We seek well-rounded design professionals and expect excellent client and presentation skills. The position requires a designer with very strong graphic and communication design skills and an understanding of production and printing methods for environmental graphic design. The workload is predominantly sports-oriented projects encompassing venue, event and brand projects.

Infinite Scale designers possess an in-depth understanding of materials and production/ fabrication techniques, are comfortable thinking about the built environment, and have a demonstrated ability to turn design concepts into reality. Our studio's process is collaborative and requires strong communication skills and the ability to work both independently or as part of a team.
