Location: Arena

The Milwaukee Bucks are looking for talented people who embrace diversity, equity & inclusion in a workplace where everyone feels valued and inspired.

It all begins with outstanding talent, It all begins with YOU! #FearTheDeer

Position Summary:

Fiserv Forum is currently seeking a candidate to fill the position of Motion Graphics Animator with a control room emphasis. This position will have strong design, color correction, typography and 3D skills to create content across all media platforms. The Motion Graphics Animator must be goal-driven, detail-oriented and possess the ability to adhere to deadlines within a fast-paced, high pressure environment. The Motion Graphics Animator will collaborate with all departments to ensure the fulfillment of company goals.

Position Responsibilities:

- Conceptualize, design, and animate dynamic 2D and 3D graphics used in all aspects of event presentation and sponsorship elements in-arena as well as elements for broadcast television and the web.
- Work closely with producers, video editors, and graphic designers to create custom animations and maintain a consistent overall team brand
- Understand brand and marketing objectives, contributing to the evolution of the team image
- Create designs, concepts, and sample layouts of both complex graphics and animations; using independent judgment, principles and esthetic design concepts
- Produce animated motion graphics for all Fiserv Forum LED displays
- Design and create promotional and event presentation videos, animations, and graphics
- Assist in developing concepts, storyboarding and pre-production
- Create still-frame and animated graphics
- Work with third party clients to fulfill video production and graphic needs
- Assist with shooting variety of special events, press conferences, and community appearances – editing, audio mixing, and lighting as needed
- Edit video segments for external use but not limited to broadcast, web, event presentation
- Assist in media management and file server archiving
- Log game tape and highlight reels

Qualification Requirements:

- Bachelor's degree in Video/Film Production, Communications from four-year College or University; or 3 years relative experience and/or training; or equivalent combination of education and experience

- Proficiency with Adobe Creative Suite applications: PhotoShop, InDesign, Illustrator, Acrobat is Adobe Flash, Fireworks, Dreamweaver, Premiere Pro, After Effects, File Transfer Protocol is required
- Knowledge of Ross Acuity & Xpression Studio and Daktronics v8000 show control
- Experience creating broadcast quality motion graphics
- Proficiency with Cinema 4D or other relevant 3D animation experience/expertise required
- Experience designing style guides and storyboards for motion graphics
- Non-linear editing experience and strong technical knowledge of video, audio and lighting
- Experience with finishing edited productions (overlays, color correction, and other treatments)
- Strong conceptual and storytelling ability
- DSLR shooting and workflow experience
- Outstanding communication skills and a positive, energetic personality with the ability to thrive in a fast-paced environment with tight deadlines
- Strong creative abilities and a passion for content creation
- Extreme attention to detail and passion about Quality Control
- Self-motivated, highly resourceful, with strong decision making skills
- Able to work nights, weekends, and some holidays
- Strong knowledge of the NBA and the Milwaukee Bucks
- Working knowledge of Microsoft Office (Outlook, Word, Excel, and Power point)

-PLEASE INCLUDE DEMO REEL WITH YOUR RESUME.

All offers for employment with the Milwaukee Bucks are contingent upon the candidate having successfully completed a criminal background check and drug screening. We will consider qualified candidates with criminal histories in a manner consistent with the requirements of applicable local, state, and Federal laws.
